

A STEP IN TIME

Y3

Reading:

All of our texts will help us delve into Ancient Egyptian times. However, we will be focusing on specific skills:

- Retrieving information from non-fiction texts.
- Summarising the events of a passage.

Writing:

Wanted poster based on 'The Great Egyptian Robbery'.

Non-fiction information text about the River Nile.

Explanation: How to Mummify a Body.

Setting description taking inspiration from Marcy & the Riddle Sphinx.

History & Geography

This term we are going to dive into everything that is Ancient Egypt!

- Locating Egypt and the UK on a world map, identifying and understanding the main rivers in these areas.
- Learning about famous Pharaoh's and their beliefs.

Science: Forces

This term sees us exploring forces through a variety of practical activities:

- Testing materials to discover if they're magnetic or not.
- Investigating if poles repel or attract.
- Exploring force and its powers!

S&L:

Discussing ideas and opinions in all subjects.

Reflecting on ourselves.

French:

Bonjour!

We are learning how to introduce ourselves and say basic greetings.

Art & Design Technology:

Gathering ideas to help us design and recreate Canopic jars.

Use a range of skills and techniques using clay to enhance our Canopic jars.

Explore how artists have used gold in their work over the ages.

Computing:

Understanding how to use digital devices whilst exploring the benefits of computer networking.

Creating a storyboard and stop frame animation.

PE:

Developing our skills of movement and balance with Mr Wood.

Music:

We'll be exploring how to play the glockenspiel and use our voices to perform.
