

Supporting Parents - Supporting School Are you receiving your entitlement?

Dear Parents and Carers,

There is a new quick and easy way to allow school to regularly check whether you are entitled to claim free school meals.

Children attending a school in York can apply for free school meals if Parents or Carers are receiving certain benefits and we can assist you to ensure no one is missing out.

We are asking **all** parents to complete a short online form regardless of whether you currently receive Free School Meals or not.

This will allow us to regularly check your eligibility, should your circumstances change. More information can also be found on the form.

Please click on the link below:

The link to the form is also on our Facebook page.

Please note: if you are currently eligible and receiving free school meals, this will not change, however you will still need to complete the form below to ensure we have all the necessary information to continue to regularly check your eligibility.

We would encourage all parents to complete the short form below by **Wednesday 17th March**.

As always please don't hesitate to contact us should you have any questions.

Many Thanks
