### A message from Mrs Coles

Phew! What a warm week it's been. There are lots of tired and hot children (and adults) in school at the moment but we have one week to cram lots of fantastic things into.

The Year 1s had their trip to the Folk Hall and the park on Monday which they thoroughly enjoyed. Staff were very impressed with how well they behaved and how well they played with each other.

The Year 6s were also impressive on the trip to Crucial Crew. There are really important messages that the children learn on this trip so it was great to hear that they had listened well and behaved beautifully.

We have lots still happening next week!

Miss Out Miss Out...

Dojo rewards for all classes

Year 2 are off to Harlow Carr Gardens

Year 3 will be making pizzas

Reception will be going to the part

Year 1 will be having their Teddy Bear's picnic

Year 6 will be having their leavers party - and ice cream apparently! I really hope there's one left for me!

Have a fabulous weekend and enjoy the sunshine in a nice, shady place...

### Attendance this week

Across Reception to Y6, we have had **92 absences** this week. Whilst we understand that the majority is due to sickness, we have a lot of children who don't come into school and we are not made aware of the reason why. If your child is absent and you do not make contact with school, your child will be marked as an unauthorised absence.

### After School Club bookings

If you wish to book your child into After School Club after 1pm on the day required, please call the school office rather than sending an email. Emails may not be read, before the end of the day. If your call isn't answered, please leave a voicemail.

Thank you.

### Ice pops sale!

We will be selling ice pops, after school, in both playgrounds all next week. 30p

### Little City feedback!

We had some lovely feedback from Little City team who visited us this week for Smarties and Nursery to enjoy! They said:

*"The number of parents here playing with their children has made me feel warm inside. It's so touching that so many parents have come to join us today."*

### Sculpture

We were asked by Joseph Rowntree Trust for children to design a carving for a tree stump in the village. Our children who attend Artikids clubs happily rose to the challenge and submitted some fantastic designs! Oscar from Y5 drew the design of an owl. His design, (along with a child from another school) were chosen as the winners and the carving is standing tall in The Garth, White Rose Avenue.

Well done Oscar!

**Lunch Menu week commencing 13th July - Jacket Potatoes available every day!**

**Please remember to book lunches on Parent Pay by midnight on Sunday 12<sup>th</sup> July.**
